Financial Agreement

Dear Patient,
Thank you for choosing New Tampa Foot & Ankle and South Tampa Foot & Ankle, Dr. Martin Port, MS, DPM, Dr. Brendan Barrett, DPM, and Dr. Stephen F. Levin, D.P.M., P.A. as your podiatric health care provider. We are committed to the success of your treatment, as well as, providing you the best possible podiatric care. Please understand that payment of your bill is considered a part of your treatment. All patients must complete our Patient Registration form, provide their insurance card, and provide their drivers license/state identification card before seeing doctors Levin, Port, and Barrett. The following is a statement of our Financial Agreement, which we require you read and sign prior to any treatment. FULL PAYMENT IS DUE AT THE TIME OF SERVICE UNLESS OTHER ARRANGEMENTS HAVE BEEN MADE. WE ACCEPT CASH, VISA, MASTERCARD, AMERICAN EXPRESS, and DISCOVER.

Regarding Medicare
We are a Medicare Provider; therefore, we do accept assignment on Medicare. When possible, your claim will be filed to Medicare and any supplemental insurance that routinely pays the doctor for his services. For those patients that have a supplemental that does not routinely pay the doctor, or if you do not have a supplemental policy, we will require 20% of the total bill to be paid at the time of service. If there is a remaining balance after your insurance pays, then a bill will be sent to you, for your payment of the final balance. Please be aware that some, and perhaps all, of the services provided may be non-covered services and not considered medically necessary under the Medicare Program. Our staff recognizes this, and we will attempt to take the time to discuss these charges with you prior to a service if we know it will not be covered by Medicare.

Regarding Private Insurances
If you are a member of an insurance company that we are a participating provider with, as a courtesy to you, we will file the claim directly with the insurance company. The amount of benefits you are entitled to depends solely on what your specific insurance company and plan offers to its members. Some insurance plans cover as little as 30 percent (30%) and some cover as much as 100 percent (100%) of your medical care. You will be responsible for your co-pays, your deductibles, your co-insurance percentages, and services that are not covered under your specific contract. Please be aware that some, and perhaps all, of the services provided may be non-covered services and not considered medically necessary under your insurance program. Our staff recognizes this, and we will attempt to take the time to discuss these charges with you prior to a service if we know that it will not be covered.
If you are a member of an insurance company that we are not participating with, we ask that you pay the full amount of the visit at the time of service. We will provide you with a copy of your bill or help fill out a claim form so you can submit it to your insurance company.

Miscellaneous Policies
In an attempt to better serve the needs of our patients, we have been forced to implement our current policy of a $35.00 charge for broken appointments. This means that you have scheduled an appointment and do not show up or call 24 hours in advance to cancel that appointment. Such advance notice would have opened that appointment time up for another patient. We understand that emergencies happen and that 24 hours notice is not always possible, but please call as soon as you realize that you will not be able to make the appointment. Thank you for your cooperation and understanding in this matter.

Minors must be accompanied by a parent or legal guardian.
Returned checks are subject to a $25.00 processing fee.
There will be charged a fee of $35.00 for any appointment missed with less than 24 hours cancellation notice.

All accounts must be paid upon receipt of our bill. If after 60 days, the balance is not paid in full; your account will be sent to our collection agency for the balance, plus a fifty percent (50%) collection fee.

If you have any questions about the above information, we will be glad to answer your questions. I have read the Financial Agreement. I understand and agree to the Financial Agreement.

I, the undersigned, authorize payment of the medical and surgical benefits directly to Dr. Stephen F. Levin, D.P.M., P.A. and to release information including the diagnosis and the records of any such medical or surgical care. I am also giving Dr. Stephen F. Levin, D.P.M., P.A., (including, Dr. Martin Port, MS, DPM, Dr. Brendan Barrett, DPM, New Tampa Foot & Ankle and South Tampa Foot & Ankle) all rights to inquire on my behalf on any medical reviews relating to my medical benefits, either assigned or non-assigned.

However, the Practice is not required to agree to any restriction that I have requested. If the Practice agrees to a requested restriction, then the restriction is binding on the Practice.

I understand that this Consent is valid for seven years. I further understand that I have the right to revoke this Consent, in writing, at any time for all future transactions, with the understanding that any such revocation shall not apply to the extent that the Practice has already taken action in reliance on this Consent.

I understand that if I revoke this Consent at any time, the Practice has the right to refuse to treat me. I understand that if I do not sign this Consent evidencing my Consent to the uses and disclosures described to me above contained in the Privacy Notice, then the Practice will not treat me.

I have read and understand the forgoing notice, and all of my questions have been answered to my full satisfaction in a way that I can understand.

Financial Addendum

Payment is due in full at the time of treatment unless prior arrangements have been made.
Our office accepts **NO** responsibility for your insurance benefits. ***Filing your benefits is a COURTESY that we provide.*** We will do everything that we can to help you get your full insurance benefit, but we will not guarantee what your insurance plan will pay.

Again, we do our best by calling your insurance company and verifying your coverage prior to your initial appointment; however, that information is not guaranteed to be current and accurate. We can only follow what we are told by your insurance provider. We may be verbally given a benefit or coverage amount during pre-qualification, only to have that claim denied when sent after treatment has been rendered. As a courtesy to you the patient, we will seek clarification and re-file denied claims a second time. If such claim is denied a second time, we will then send a bill to you. This bill must be paid within 60 days of the billing date. You may, then attempt to obtain reimbursement from your insurance provider, and we will be happy to provide you with whatever receipts or Explanation of Benefits that you need.

Please know that we are told by insurance companies that **"payment is ultimately the patient's responsibility."** We have no control over the insurance provider or plan that we are presented with.
I, the patient or responsible party, understand that I am responsible for payment of services rendered and for paying co-payments, deductible, and co-insurances that my primary and/or secondary insurances does not cover. **I understand that all payment is ultimately my responsibility.**
